A. All eligible employees shall be covered by a worker's compensation program of the County's choice that conforms with the provisions of the Nevada Industrial Insurance Act (NRS Chapter 616) and the Nevada Occupational Diseases Act (NRS Chapter 617), and that provides for payment of industrial accident benefits and compensation for partial and total disability arising from industrial injuries and occupational diseases.

B. In the event an employee is absent from work due to a service related disability, approved pursuant to Chapters 616 or 617 of the Nevada Revised Statutes, the employee may receive, in addition to the SIIS benefit provided pursuant to Chapters 616 or 617, supplemental compensation from the County commencing the first day the employee is absent from work, but not to exceed 10 working days. During this period, the employee shall not forfeit any accrued sick leave. Such supplemental compensation shall be in an amount equal to the difference between the benefit received pursuant to Chapters 616 or 617 of the Nevada Revised Statutes, exclusive of reimbursement or payment of medical or hospital expenses, and the employee's salary prior to the injury or illness. Successful completion of the probationary period is required to qualify for the supplemental compensation from the County. No supplemental compensation shall be paid until the employee's SIIS temporary disability benefit check has been deposited with the county treasurer.

C. After the 10 day period specified in paragraph B above, the amount of sick leave benefit paid to such employee for any pay period shall not exceed the difference between his or her normal salary and the amount of any benefit received, exclusive of reimbursement or payment of medical or hospital expenses under Chapters 616 or 617 of the Nevada Revised Statutes for that pay period.

D. If an employee elects to use accrued sick leave while receiving benefits under Chapters 616 or 617 of the Nevada Revised Statutes, the amount of sick leave charged such employee as taken during each pay period shall be equal to the difference between the benefit received pursuant to Chapters 616 or 617 of the Nevada Revised Statutes, exclusive of reimbursement or payment of medical or hospital expenses, and the employee's salary prior to the injury or illness.

E. An employee of the County may decline to use any or part of the sick leave benefit normally payable to him or her while receiving benefits under Chapters 616 or 617 of the Nevada Revised Statutes. During such period of time, the employee shall be considered on leave of absence without pay.

Amounts in excess of 30 working days at the beginning of any calendar year shall be forfeited unless the excess was caused by the denial or cancellation of annual leave that was requested by use in writing on or before November 1<sup>st</sup> in which case the excess will be subject to use or forfeiture by March 30<sup>th</sup> following the beginning of the calendar year. Annual leave shall not be granted in excess of the annual leave credit earned.

H. Definition of Working Day(s)

1. For the purpose of this Article 19, "Annual Leave", Article 21, "Holidays and Holiday Pay", and Article 22, "Sick Leave" the phrase "working day(s)" means the same number of hours per day the employee is regularly scheduled to work. For example, for an employee regularly scheduled to work 8 hour work days, a "working day" equals 8 hours. For an employee regularly scheduled to work 7 hour work days, a "working day" equals 7 hours.
2. A "working day's pay" shall be the appropriate number of hours per day payable at the employee's straight time hourly rate.

**ARTICLE 20**

If the Nevada Legislature is silent with respect to who is responsible to pay contribution increases, paragraph D shall apply.

D. If the Nevada Legislature fails to designate whether the employee or the County is to pay for the increase in contributions to the PERS above that set forth in paragraph B of this Article, the County and the employee shall each pay 1/2 of the increased contribution. Payment of the employee's portion of the contribution increase shall be made in lieu of equivalent basic salary increase or cost of living increase, or both.

E. In the Nevada Legislature fails to designate the distribution of decreased rates, if any, decreases in the contribution rate shall be equally shared and shall be credited by increasing the pay schedule by an amount equal to 1/2 the prescribed reduction.

This one additional floating holiday sunsets, expires and is of no further effect after June 30, 2016. The floating holiday(s) shall be paid at straight time.

F. Ambulance employees scheduled to work a holiday listed in this article will receive holiday pay for hours actually worked on the calendar date of the holiday. Holiday pay will consist of one and one-half (1-1/2) times the employee's straight time hourly rate in addition to the employee's straight time hourly rate for the day. For example: an employee working a 24-hour shift

2. The Board of County Commissioners may approve an exception to this limitation where an employee's attendance is required to provide, participate in or arrange for intensive care and/or treatment or receive extensive training in the proper utilization of equipment, techniques and supplies essential for continued maintenance of good health. In this

case, the employee shall submit his/her request for an exception of the limitation to the Board of County Commissioners. The request must be accompanied by an individual certification from a physician or other suitably qualified person as to the actual need for the employee's participation. The certificate of need must identify the immediate family member's illness and contain an explanation as to:

- a. Relative seriousness of the illness and a projection of the probable length of time the employee's attendance will be required;

The employee will provide the County written proof that he/she has been appointed as the executor of the estate prior to the approval of this leave.

D. After the qualifying period set forth in the FMLA, an employee is entitled to use a maximum of 6 weeks accumulated sick leave for adoption or maternity leave purposes, regardless of the type of delivery or results of pregnancy. After 6 weeks of accumulated sick leave has been exhausted, or the total amount of accumulated sick leave if less than 6 weeks, the employee is

entitled to use accumulated vacation leave for adoption or maternity leave purposes. - d. The maximum number of hours which may be transferred in any one (1) year from any employee is eighty (80). The minimum number of hours which may be transferred in any one (1) fiscal year is (8) hours annual and twenty-four sick. Leave will be placed in a pool; however, the employee may transfer hours to the catastrophic leave account for use by a particular employee, who has been determined to be eligible to receive the leave subject to the above limitations.
- e. Any hours of annual or sick leave which are transferred from any employee's account to the catastrophic leave account may not be returned or restored to that employee. This subsection does not prevent the employee from receiving leave pursuant to subsection 4 of this article.

3. Request for Catastrophic Leave:

- a. An employee who is himself/herself affected by a catastrophe as defined in subsection 1, may request, in writing, that a specified number of hours of leave be transferred from the catastrophic leave account to his/her account. The maximum number of hours that may be transferred to an employee pursuant to this

section is 240 per catastrophe. Catastrophic leave may not be used when the subject of the catastrophe is a member of the employee's immediate family. Catastrophic leave is limited to catastrophes, which befall the employee.

- b. The request must include:
  - 1. The employee's name, title and classification; and
  - 2. A description of the catastrophe and the expected duration of that catastrophe by the treating physician.
  - 3. An employee may not receive any leave from the catastrophic leave account until he/she has used all his/her accrued annual, sick and other paid leave whether or not in conjunction with FMLA.

- 5. Review of Status of Catastrophe; Termination of Leave; Disposition of Hours Not Used:
  - a. The County Manager or his designee shall review the status of the catastrophe of the employee and determine when the catastrophe no longer exists. This determination is final and not subject to the grievance procedure, judicial review or review by the County Commissioners.
  - b. The County Manager or his designee shall not grant any hours of leave from the catastrophic leave account after:
    - 1. The catastrophe ceases to exist; or
    - 2. The employee who is receiving the leave resigns or his/her employment with the County is terminated.

3. Catastrophic leave will be transferred each pay period subject to the limitations in this Article. Any leave which is received from the catastrophic leave account which was not used at the time the catastrophe ceases to exist or upon the resignation or termination of the employment of the employee must be returned to the catastrophic leave account.

- I. Conversion of Sick Leave Into Retirement Service Credits:

An employee who is eligible for purchase of service credits under the Nevada public employee's retirement system ("PERS") and applicable law, may at his or her option convert unused sick leave into service credit under PERS at the rate of one hour of service credit for two hours of sick leave, subject to the following conditions and limitations:

1. Employees must have a cumulative total of at least six hundred (600) hours of unused sick leave to be eligible for conversion. An employee who has reached a minimum of 600 hours of sick leave accrual, who uses 5 days or less of sick leave during any calendar year may, by written request, elect to purchase service credit in PERS for the unused sick leave that has accumulated during that calendar year in the ratio of 1 hour of service credit for every 2 hours of sick leave accrued. The PERS service credit buyout only applies to sick leave accumulated during the applicable calendar year (i.e. a maximum of 3 weeks), and does not apply to prior accumulations. The employee's sick leave account shall be reduced by 2 hours of accrued sick leave for every 1 hour of service credit paid.

2. Employees desiring to convert unused accrued sick leave into retirement service credit shall submit a written request, on a county-approved form, to the county manager immediately following the last pay period of the calendar year but no later than January 31 of the following year. If the employee meets all of the conditions set forth in this subsection, then county shall deduct the designated amount of accrued sick leave from the employee's account and proceed to purchase retirement service credit from PERS in an amount equal to the number of hours elected to be converted by the employee. Sick Leave traded for PERS services credits shall be in minimum increments of 40 hours.

3. The conversion of sick leave into retirement service credits will go into effect for calendar year 2014 (January 2, 2014 thru December 31, 2014).

4. Conversion of sick leave into retirement credits is limited by NRS to a maximum of five years service credits. When an employee, serving in his/her official capacity as a County employee and as part of his/her required duties, serves as a witness in any case, he shall not receive witness fees. **LAYOFF AND RECALL**

A. Layoff. The following procedures shall be followed when the County Commissioners determine, due to lack of work or lack of money, that layoffs are to occur.

1. The County Commissioners, after consulting with the County Manager and Department Heads shall determine whether the layoff shall be implemented on a County-wide basis, or in one or more departments, work groups or job classifications. When the scope of the layoff is determined, affected employees shall be selected for layoff based on length of County service. If 2 or more employees have equal seniority, the Board of County Commissioners may consider the following factors

in selecting which employee will be laid off including, but not limited to, prior performance, productivity, efficiency, qualifications, attitude, attendance, punctuality and length of service.

2. Regular employees shall not be laid off until all temporary, seasonal and probationary employees in the affected classifications have been separated from the County service.
3. The County Manager shall notify those employees to be laid off 4 calendar weeks prior to the effective date of any such layoff.

Unless appealed, the decision of the Committee will be final and shall be issued within 5 working days of the hearing.
2. The Association will select 2 representatives and the County will select 2 representatives on the standing Committee. A majority vote of the Committee will be necessary to reverse the initial decision. The Committee shall develop a procedure for the layoff review process prior to conducting any review.
3. If the Committee is unable to reach a decision, the initial layoff determination may be submitted to the County Commissioners for a final and binding determination.

C. Recall.

1. An employee laid off under this Article shall have his/her name placed on a County reemployment list for a period of 12 months. If the positions in which the layoffs occurred become available, those laid off employees on the reemployment list who occupied those positions prior to the layoff shall be eligible for reemployment in reverse order of layoff. If two or more employees were laid off at the same time eligibility for reemployment shall be based on the same merit and length of County service factors as set forth in paragraph A(1) of this

Article. An employee rehired from a valid reemployment list to his/her former position shall receive his/her prior salary. Employees on the reemployment list who are selected for rehire shall be notified by certified mail, return receipt requested, at their last known address, and shall within 10 calendar days of receipt respond affirmatively by certified mail or in person that they are accepting reemployment.
